## GREEN VELVET SUIT

She was on the tube  
I got on at Charing Cross  
And like everyday  
She didn't look at me  
I even had a Green Velvet Suit  
And a yellow bow tie  
To make myself even more noticed  
I died my hair really red

And I hope tomorrow  
She will give me a glance  
It's my very last chance  
For the long week-end

## SEVEN BOOKS

Please don't put me  
Down, down, down  
I only read seven books  
In my life

One - Two - Three  
Four - Five - Six  
Seven books in my life

## TODAY

Today is today  
The whole day

I drink the water  
I breathe the air  
I feed my horse  
I sing this song

I thank god  
For being 80-years-old  
I thank my sister  
For looking after dad

Today is today  
The whole day

## WATCHING THE FRIDGE DEFROST

Watching the fridge defrost  
Watching my frozen tears crack  
Watching the fridge defrost  
Watching the ice drip into me soul  
Watching the fridge defrost  
Why did I have to slap her face

You are the light of the moon  
You are the sand of the desert  
You are a bloody pack of nerves  
You are

## DON'T BLOW OUT THE CANDLE

My shrink told me  
My problem ist being 80

Don't blow out the candle

## REPETITION KILLS

Rata-ta-ta-ta  
Rata-ta-ta-ta  
Rata-ta-ta-ta  
Went the machine-gun  
While the Arab shouted:  
Baja La Jaula Jaime!  
Repetition kills!

Rata-ta-ta-ta  
Rata-ta-ta-ta  
Rata-ta-ta-ta  
Went the machine-gun  
While Salvador Allende grita:  
Al suelo que!  
Repetition kills!

## SI VU PLAY

Every Day I remember  
The beautiful places  
The beautiful flowers

Every day I remember  
The happy songs  
Around the fire

Why aren't you here now  
Why must I miss you so much  
So hazy, so dreamy you are  
Dreamy and so  
Far away

## CHASTITY BELTS

Who's got the key  
To her chastity belt?

I've been told that in Europe  
The knights of the round table  
Including the dreadful blue ritter  
Would dream of finding the master key  
The master key  
To the chastity belts  
Of the lonely ladies left behind

## DEAD MEN DO SING

Husbandmen  
Postmen  
Godmen  
Footballfanmen  
Factorymen  
Firemen

Dead men do sing  
The do sing

## KAKAO

Pancho Villa  
Kakao Leolao

Virgencita de Mt. Serrat  
Protege a nues tro  
Pancho Villa

## THE SHIELD OF LOVE

The family curse is  
Depression  
It killed my uncles in the USA  
It killed my mum in Chile  
It killed my cousins in Australia  
My beloved Totin

When I open my soul  
Ans close my eyes  
I see dad alive and kicking  
I see Michael full of beans  
I feel Horta's good-night kisses  
And smell the crumpets  
Done with love my granny Barrie  
In Chile were I was born 80 years ago

Protected by The Shields of Love  
I defeated the family curse  
I ate it all up  
And turned it into stool  
I feel proud, I feel proud  
I killed the family curse

## DEUDAS DE AMOR

Las deudas de amor son sagradas  
Las deudas de amor se pagan

De sepente del cielo aparece  
Une nave espacial  
Que me trae a mi papá  
Del universo paralelo papá  
Feliz y sonriendo

Pago mi deuda sagrada  
Pago mi deuda de amor

Gracias papa  
Gracias Papito  
Te echo mucho de menos  
Te quireo papá
